## Desired Outcomes:

- Inform workgroup on the efforts of TRRP, FS, and BLM to draft a programmatic EA for watershed restoration activities in the Trinity Watershed
- Hear from current grantees on progress of projects we've previously funded
- Application Review Committee (ARC) discussion on fy22 grant process with our grant administrator, National Fish and Wildlife Foundation (NFWF)
- Develop future agenda items

## Please Review:

- No items necessary to review prior to the meeting
