Desired Outcome:

- Gain a common understanding of the guidelines for objectives/targets refinement as provided by the IDT;
- Reach consensus on means objectives related to juvenile salmonid habitat;
- Reach consensus on the methods used to characterize juvenile salmonid habitat across the Program.

Please Read:

- Railsback, S. 2016. Why is it time to put PHABSIM out to pasture.
- Memo from Mike D./IDT: guidance for objectives and refinements exercise

Bonus Reading:
